Notes:

* The CAS 401A SDL/SBL combined program taken separately from the CAS402A SDBL program requires 30 credits. If a person has their CAS in either program, earning the additional CAS requires an additional 15 credits.

The program is fully online using synchronous virtual meetings and asynchronous work between meetings. For each class there are three Saturday full day meetings except for the NYS Ed. Law course which requires an additional Friday evening before the Saturday classes.
