Welcome to Starfish[®] at SUNY New Paltz!

Starfish is an easy-to-use platform that gives you the opportunity to connect on another level to help improve student success and persistence.

Everyone has a role in student success at SUNY New Paltz!

Helping our students be successful is a team effort. Depending on your role within the institution, however, you will likely have very specific priorities and goals in mind when you think about how best to support your students. Starfish works best when all members of our institution work together to address students' specific needs.

Getting started is easy!
