Review Your Success Plan

As a SUNY New Paltz Student, your advisor may have assigned you a Success Plan. Success plans are designed to guide you as you navigate your next steps and to-dos. Viewing and updating your plans regularly will help you stay on track with achieving your goals and remind you of the places and people on campus who will help you achieve success!

To access your Success Plan, follow these steps:

1. Click the **menu** icon
2. From the **menu**, click **Plans**

3. There you will find your **Success Plans**

4. In our **Success Plans**, you will find numbered tasks (called To-Do Items) that you can follow to stay on track. As you complete the To-Do items, you can mark the to-do items as completed
   ➢ Your Advisor closes certain to-do items and you close certain to-do items
