

If you are traveling from out of town, we have partnered with Americas Best Value Inn of New Paltz to provide a discounted rate for the duration of your stay. The discounted rates are valid from **October 16 through October 19, 2025**.

Important things to note about the discount rate:

- Guests do not need to stay all nights to receive the discounted rates. There is no two-night minimum.
- Guests wishing to check-in before the stated check-in time of 4 PM are subject to an early check-in fee.
- Rooms can be reserved at the discounted rate up to the final date mentioned above. Rooms are NOT "blocked" and are based on availability.
- All those seeking accommodation must reserve their room directly with our front desk staff (available 24 hrs. a day, 7 days a week) at **845-255-8865 ext. 0** and must share the discount rate code provided.
- Guests will NOT be honored with the discounted rates when reserving via the internet, through ANY third-party website or via the RedLion/Sonesta corporate toll-free phone number.
- All those seeking to cancel MUST do so by 6 PM on the date of arrival. Those that fail to cancel and obtain a valid cancellation number when doing so, will be charged as a "no show" without refund.
