ALMA MATER

*In a valley fair and beautiful
Guarded well by mount and hill
Beats a heart whose pulse is rich and full
Of life, and pow'r, and thrill.
We love thee, Alma Mater dear.
To thee our hearts are true.
And we'll sing with voices strong and clear
To the Orange and the Blue.
New Paltz, forever our Alma Mater,
We raise our song to thee.
The hills re-echo with glad crescendo
Our praises full and free.*

CONFERRING OF DEGREES

PRESENTED BY

Donald P. Christian, President

Barbara G. Lyman, Interim Provost and Vice President for Academic Affairs

We are pleased to hold this weekend's series of smaller, shorter, in-person Commencement ceremonies for our 2020-2021 graduates. These efforts respond to student interest in an in-person experience to mark this milestone in their lives and recognize their hard-earned achievements, especially in the midst of a worldwide pandemic.

To hold in-person ceremonies, we regret that we are unable to allow any guests to attend Commencement this year. We will live-stream all ceremonies so that friends and family members can hear their graduate's name called, watch them cross the stage and receive their diploma cover from the comfort and safety of home. The live streams will remain online and can be viewed on demand for one year after the event. Other health and safety policies, such as masking and social distancing, will be in place throughout all events.

We look forward to celebrating our New Paltz graduates and all that they have accomplished in this most challenging time! We recognize and commend our graduates who have worked diligently to overcome the direct and indirect impact of the Coronavirus and continued to persevere during these extraordinary times. Your adaptability and resilience to overcome the adversity that this pandemic has caused in your educational and personal lives will serve you well in life.

MACE & CHAIN

THE mace and chain of office were designed and created in 1981 by the late Professor Kurt J. Matzdorf, internationally known gold and silversmith and founder of the university's gold and silversmith program, now known as the Metal Program.

THESE two important insignia were donated to the University by the Alumni Association and the SUNY New Paltz Foundation.

THE mace is 38 inches long and is made of sterling silver, acrylic and rosewood. The lower end of the mace is made in the shape of a space capsule and carries the gold-plated seal of the State University of New York. The rosewood shaft, with four bands of sterling silver, is surmounted by an incised inscription, State University of New York, which supports the head of the mace. The head of the mace displays six scenes that summarize the academic activities of the college in sterling silver low relief against a blue acrylic background. Above the head, from an incised inscription reading "The College at New Paltz," arises a flame in blue and orange acrylic (the SUNY New Paltz colors) symbolizing the enlightenment to be gained from higher education.

THE presidential chain of office is 45 inches long. It consists of 10 fields of blue acrylic framed in sterling silver shaped like the contour of the head of the mace. These alternate with nine apples in red and green acrylic framed in silver indicating the principal non-academic product of the New Paltz community. The four links in the back of the chain carry the SUNY logo in sterling silver relief.

ORIGINALLY, there were six blue links on the front of the chain corresponding to the sterling silver reliefs on the mace. Each link represents Education, Humanities and Social Sciences, Natural Sciences, Fine Arts, Performing Arts, and Graduate programs, respectively. In 2002, two blue links were added representing Engineering and Business, acknowledging the School of Science and Engineering and the School of Business. The medallion displays the gold-plated seal of the State University of New York surrounded by an incised inscription, "The College at New Paltz," against a blue acrylic background. It hangs from a center link that shows the date New Paltz was converted from an academy to a normal school, 1885.

ACADEMIC COSTUME & PROCESSION

ACADEMIC gowns represent a tradition that dates back to medieval Britain. When Oxford University was founded in the 12th century, the chancellors of the institution were representatives of the bishop. For this reason, students and faculty wore clerical garb. This eventually evolved into the familiar cap and gown. The tradition of wearing academic costumes was continued in America with the founding of colonial colleges.

EXPERTS differ on the origin of the “mortarboard” cap. Originally round, it later became square. Some say that the square shape represents a scholar’s books, while others argue that it was derived from the master workman’s mortarboard. Others say this was patterned after the quadrangular Oxford campus.

AMERICAN academic costume was standardized in 1895, with the issuing of a code of dress by Intercollegiate Commission. The code sets the styling standards for bachelor’s, master’s and doctor’s robes, and provides a color code for the hood, which identifies the degree and the institution granting the degree. The color of the border indicates the field of study, and the lining is in the official color or colors of the institution conferring the degree. As you look out across the faculty participating in today’s ceremony, you will see the various colors that represent the degrees they have received.

OUR academic procession follows what is considered to be a traditional order: The candidates for all graduate degrees are followed by the Faculty. The Faculty Grand Marshal will lead the platform party and the President of the College.

FOR all academic purposes, including trimmings of doctors’ gowns, edging of hoods, and tassels of caps, the colors associated with the different disciplines are as follows:

<i>Arts, Letters, Humanities</i>	<i>White</i>
<i>Commerce, Accountancy, Business</i>	<i>Drab</i>
<i>Economics</i>	<i>Copper</i>
<i>Education</i>	<i>Light Blue</i>
<i>Engineering</i>	<i>Orange</i>
<i>Fine Arts</i>	<i>Brown</i>
<i>Journalism</i>	<i>Crimson</i>
<i>Music</i>	<i>Pink</i>
<i>Nursing</i>	<i>Apricot</i>
<i>Philosophy</i>	<i>Blue</i>
<i>Science</i>	<i>Golden Yellow</i>
<i>Social Work</i>	<i>Citron</i>

MASTER HOODS AND TASSEL COLORS:

<i>Certificate of Advanced Study</i>	<i>Light Blue</i>
<i>Master of Arts</i>	<i>White</i>
<i>Master of Arts in Art Studio</i>	<i>White</i>
<i>Master of Arts in Teaching</i>	<i>Light Blue</i>
<i>Master of Business Administration</i>	<i>Light Brown</i>
<i>Master of Fine Arts</i>	<i>Dark Brown</i>
<i>Master of Professional Studies</i>	<i>Light Blue</i>
<i>Master of Science</i>	<i>Gold</i>
<i>Master of Science in Education</i>	<i>Light Blue</i>
<i>Master of Science for Teachers</i>	<i>Light Blue</i>

SUNY NEW PALTZ

GROWTH • VITALITY • EDUCATOR • NEIGHBOR

As Ulster County's number one employer, SUNY New Paltz is central to the economic health and well-being of the Hudson Valley. As the largest public four-year institution of higher education in the region, the College plays a valuable role in creating and retaining jobs today while educating students for careers and citizenship tomorrow.

According to the latest Economic Impact Study conducted by the College's Budget Office, SUNY New Paltz contributes \$380.5 million in overall economic activity and 3,495 jobs annually for the Hudson Valley economy, and \$447 million and 4,128 jobs for the New York State economy, with a workforce of 1,623 full- and part-time employees (excluding student workers).

SUNY New Paltz also stimulates the New York State economy through non-employee spending—the money paid to vendors and contractors to support campus construction, maintain modern campus facilities and purchase new technologies to provide the best possible learning environment to students.

There are about 55,600 SUNY New Paltz alumni of working age (defined as 65 and younger).

New Paltz alumni generated nearly \$520.2 million in value-added earnings, above and beyond what they would earn with a high school degree.

Bottom Line: Every day, the ever-growing society of SUNY New Paltz alumni are starting businesses, creating jobs, solving problems and serving their communities, often right here in the Hudson Valley and New York State.

To the SUNY New Paltz Graduating Class of 2021:

Living through a pandemic is likely not how you expected to finish your last semesters at New Paltz, nor how you expected to start your life after college. Major milestone celebrations over the 13 months have been postponed, cancelled, or modified, including commencements. I know this is not the ideal outcome after years of hard work and studying, but this does not diminish your tremendous accomplishment. Despite all the challenges thrown at you and having your senior year of college unceremoniously turned upside-down, you persevered to earn your degree.

Although we were not able to celebrate your graduation with all the normal pomp and circumstance it so rightfully deserves, let it be known that we are all so proud of the Class of 2021—the persistence, determination, and grit you have shown to complete your studies amidst a number of obstacles is exemplary.

As you look toward the future, know your SUNY education has prepared you to succeed in whatever you put your mind to—whether it be furthering your education or joining the workforce. The 2021 New Paltz Hawks will continue the SUNY legacy of changing the world no matter where you go, and I look forward to seeing all that you accomplish.

On behalf of everyone at SUNY, I extend my heartfelt congratulations to you and your fellow 2021 graduates. You make us proud.

Sincerely,

Jim Malatras
Chancellor
