2025-2026 Housing Plan Survey

Student Name: _____ **New Paltz ID #:** _____

In prior years, the FAFSA typically requested information regarding students' housing plans for the academic year, which is one of several factors used to determine students' cost of attendance. The 2025-2026 FAFSA will no longer request housing information from students. In most cases, other available information will be sufficient to calculate a student's cost of attendance. However, if your anticipated housing plans for the 2025-2026 academic year falls into one of the indicated scenarios, please complete and return this form to the Office of Student Financial Services to have your cost of attendance reviewed.

Submit this form ONLY if one of the indicated housing scenarios applies to you during the 2025-2026 academic year. Failure to submit this form will NOT result in any delays processing your aid package.
