Health Report and Immunizations

When you learn something from people, or from a culture, you accept it as a gift, and it is your lifelong commitment to preserve it and build on it.

Full-time enrollment requirements

Failure to comply will result in deregistration from your program.

I-94 status

OPT

Both OPT and CPT are used to describe working permits. OPT stands for Optional Practical Training and is used to provide students with work experience in a field related to their major. CPT stands for Curricular Practical Training and is work that is a standard part of a student's class. Otherwise, the requirements, eligibility factors, timing of application, considerations for travel and a combination of ESL and academic courses are OK!
